<p>4. REPORT OF FINDINGS</p> <p>On 24 July 1953 the following information was submitted by Informant 3766, who obtained the information from Informant 3766, who, in turn, established direct contact with SUBJECT, and from Informant 3852. Further investigation of SUBJECT's activities disclosed that SUBJECT is in contact with one Karl Uhl, born 26 September 1912 in Kuttelfeld, Land Steyer, Austria, at present residing in Forstenwalde near Berlin, Germany. Uhl resided in St. Gilgen, Land Salzburg, Austria, until September 1951, when he moved to Germany. Uhl's father is still residing in St. Gilgen. Uhl visits his father from time to time and on these occasions he usually also meets with SUBJECT. Another contact of SUBJECT's is Ing. Richard Kander-Hatt, Schwanstrasse 30, Salzburg. During a recent visit at SUBJECT's office in Salzburg by Informant 3766, SUBJECT was not present, but Informant spoke to Josef Schneider, who had previously been reported as an associate of SUBJECT's. Schneider allegedly warned Informant to be careful in his dealings with SUBJECT, and claimed that he (Schneider) had been warned by the Soviets to be also careful when dealing with SUBJECT. Schneider stated further that during World War II, while SUBJECT served with the German Army on the Soviet front, SUBJECT supplied valuable information to the Soviets, but lately the Soviets have lost confidence in SUBJECT. Schneider also added that SUBJECT has recently been questioned by the Austrian police in Salzburg about the distribution of the German magazine <i>Deutschland-Life</i>. This magazine is being published by former German Colonel Kadel and Skorsky, and its contents are chiefly anti-Josef and pro-Soviet. Schneider stated that the actual distribution in Austria is handled by one Maltisch, first name unknown, who obtains the magazines from one Sepp Hinterseer in Brichtengaden, Germany. Informant reported further that SUBJECT is also in close contact with Josef Plesner, born in 1921 in Bratislava, CSR. Plesner was arrested on 20 April 1953 by the Austrian Police authorities in Salzburg for fraud, and was also in contact with an American Intelligence organization from 1945 until 1947. Informant reported further that Schneider deals chiefly in USIA goods and is well acquainted with Josef Auerger, President of the Chamber of Commerce in Salzburg.</p> <p style="text-align: right;">(C-C-8)</p> <p>On 6 July 1953 the following information was submitted to S/A Ralph Singer by a Confidential Source of Informant 3848: Informant reported that Josef Schneider, born 19 March 1923, export and import dealer in Salzburg, is in contact with the Soviet Kommandature of Land Lower Austria.</p> <p style="text-align: right;">(C-8)</p>
